Academic Overview

Overview

Black Diamond Public School, Gadi Katouna, Jamui, Bihar was started in the month of April 2010. It is an English medium co-educational school, affiliated to the Central Board of Secondary Education, New Delhi. This school is run by Black Diamond Kalyan Sansthan, a non-profit making society registered under the society's Registration Act of 1860. The members of the society are renowned Educationists, Social Works, Engineers and Administrators and other Govt job holders.

We the members of this school always believe in the dignity and worth of each student and recognise the importance of his/her responsibilities to the entire community. We believe that all youth should have equal opportunities for education, consistent with their individual capabilities and with their personal and social needs. It also promotes the natural ability of children to learn through development of their cognitive and thinking skills.

Apart from academics, BDPS, JAMUI ensures that students are provided all opportunities for honing their co-curricular inclinations through sports, performing and visual arts and other creative pursuits.

BDPS JAMUI aims to develop new era in education in the district Jamui, Bihar. Within a short span of time the school has distinguished itself in the field of education. Its the only school in the district with having modern infrastructure used for teaching and learning methods.

Comprehensive Curriculum

The BDPS curriculum supports the natural development of the child. The teacher serves less as an instructor and more as a guide or facilitator. Children are encouraged to learn how to learn, thus gaining independence and self - confidence.

A Proven Curriculum

BDPS JAMUI follows the syllabus as prescribed by the CBSE. It will be our constant endeavour to direct each child to become a motivated lifelong learner by experiencing the joy of discovery and the ownership of results. Our curriculum has been structured to ensure that knowledge is imparted through a combination of resources and techniques, thus making the learning process exciting and easy to comprehend. Classroom teaching, multi - media workshops, exchange programmes, co - curricular activities and excursions help children gain insight and knowledge at various levels.

CBSE Curriculum

With the school affiliated to the CBSE, it became mandatory for us to follow the Continuous and Comprehensive Evaluation CCE. CCE helps in improving students; performance by identifying his/her learning difficulties and abilities at regular time intervals right from the beginning of the academic session. A step in this direction was the introduction of Cyclic Tests conducted on every Tuesday to help teachers understand the students and develop corrective and remedial measures. Every afternoon the school provides for remedial teaching where in children who lag in certain subjects will be provided extra attention. The school offers English as the first language, Hindi as the second language and Marathi as third language, Mathematics, Science and Social Science for classes I- III. For classes IV- VIII English is the first language, Hindi the Second language and the students have to choose either Hindi or Sanskrit as the third Language. Maths, Science and Social Science form a part of the course of study.
